OHIO 2015 COMMUNITY RIGHTS TOUR CO-HOSTED BY

CELDF

COMMUNITY
ENVIRONMENTAL
LEGAL DEFENSE FUND

“As a people of ‘we the people’ fame we have become either ahistorical, amazingly obedient, exceedingly stupid, or all three. We can stay that way if we choose – either denying the corporate state or resigning ourselves to it – with the understanding that every day we fail to challenge the corporate state is another day that the planet falls down around us.”

– *Thomas Linzey*
